

Welcome to Eduhero!

You now have FREE access to interactive, on-demand, professional development courses in Eduhero. These courses can be taken anywhere Internet is available, and carry actual CPE credits. Ramirez CSD has subscribed to Eduhero to provide access to mandatory compliance trainings for all district employees. You may also access any of the other courses they have offered.

**All RCSD employees are required to complete specific trainings by state law or as part of our risk management practices based on statutes and policies. It is your responsibility to complete these courses by the deadlines indicated in the list generated by the superintendent.**

#### Frequently Asked Questions:

- **How do I begin a course?** Click the **Launch** button next to the course title.
- **Do I have to take the courses in order?** No, you may take them in any order you like.
- **Will I have to start over if I get interrupted and cannot complete a course?** No, you will be able to continue the course where you left off. Eduhero keeps track of where you were for you.
- **What if I have already been trained on a topic?** As long as there is documentation like a sign-in sheet, certificate or other verification of completion, then you may skip the course.
- **Do I need to print my certificate?** Yes. In addition to keeping a copy for your personal records, provide a copy to the superintendent's office.
- **Can I take other courses that interest me?** Absolutely! Feel free to take any of the other courses Eduhero has to offer.

If you are experiencing technical difficulty, please enter an Eduphoria HelpDesk request or notify the superintendent's office.
